

Hello — and thanks for taking a look at my work!

My name is Rich Kurz and I am an experienced graphics design professional. My philosophy has grown simpler through the years. Good design is not about me, but about us. I want to do good work that serves the needs of my client and that I am proud to put in my portfolio. This pdf shows some of my capabilities.

**Note that all concepts and original drawings are owned by International Media Services. The images in this document are my own and are under copyright to Rich Kurz.**

In the late 1980s, I was prospecting to work in video media and contacted the agency International Media Services in the Colorado Springs area. On something of a trial basis, they commissioned me to present ideas to restyle their office. I accepted the challenge and presented these concept drawings. Alas, they did not implement any of these ideas, nor did I go to work with them. Still, it was a stimulating exercise and I enjoyed the variety of concepts that came forth.

Deliverables: nine boards, seven 18" x 24" marker and Prisma pencil illustrations plus eight 8½" x 11" support and alternate sketches

I am available to discuss *your* design, illustration, marketing, and advertising needs. Let's talk!
